

Advertising Opportunities For Seaside Charter School

Dear Friends & Families of Seaside,

It takes a lot of money to grow and we are growing! We are offering several advertising opportunities for individuals and businesses to support our school. Please review the attached flyer.

If you know somebody who runs a business and would consider advertising at Seaside please share our flyer with them.

Please share this wonderful opportunity with friends and families that want to support our school as well!

Please Note:

All donations for advertising are TAX DEDUCTIBLE

Should you have any questions regarding our advertising options, need more supplies, or need assistance in presenting please contact Bill Vogel at 853-6287 (school) or 234-8779 (cell).

Thank you for supporting Seaside Charter School!

Partner With Seaside Charter School!

Take advantage of the opportunities to share in our success!

Seaside Charter School is the **ONLY** public, tuition-free Waldorf inspired school in the Southeast. Our vision is to teach children **“how”** to learn. Once a child knows how to learn, it will enable them to become successful citizens with the ability to adapt and create opportunities as their life and environment changes.

Our school has experienced success beyond our wildest expectations as word of our education principles has spread to parents throughout our community. We currently have a long waiting list for enrollment and are growing as fast as our State Charter will allow.

Become recognized as a Partner of Seaside Charter School with a tax-deductible, charitable investment!

Your business can benefit from our success and rapid growth!
