

### **2021 - 2022 School Supply Lists**

At Seaside Charter Schools, our teachers collaborated during our training week to create supply lists for each grade level. We have worked hard this year to trim our list to essentials to try to ensure our supply lists are more accessible for all families.

We are including an “optional list” for families who may be able to buy a few extra supplies that we frequently use for classroom-based projects. The extra supplies will be used to create a “teacher workroom” where teachers can share art supplies for special projects. As our workroom depletes, we may reach out to see who can help us restock. If we all pitch in, we can make sure our teachers have everything they need to make learning fun.

Additionally, each of our teachers will have a classroom wish list. The classroom wish list will be a place for teachers to make special requests specifically for their classroom. Teachers will send out classroom wish lists in the first weeks of school. This list will be unique for each teacher and may be updated throughout the year.

Our supply lists include links to purchase supplies. We have worked to indicate which supplies are brand specific, which supplies are not brand specific, and which are available at our school store via our website beginning July 1st. Families can purchase supplies directly from the links below or shop for bargain deals before school. The links were provided as an example to families but there is flexibility and if you can find a material at a cheaper price, feel free to purchase it.

Waldorf supplies (crayons/color pencils) may be recycled from year to year. Your child may have brought home their supplies at the end of the school year. If you decide that any of your crayons or colored pencils need to be replaced, you can order replacements through our school store via our website beginning July 1st.

We understand that school supplies are expensive. Please send what you can in with your student and communicate. If you would like to support purchasing additional supplies, you can do so by purchasing school spiritwear, which will be sold biannually. 100% of the profits from these purchases will be used to purchase additional supplies for teachers and students in need. School spiritwear will be available for purchase on the school store website beginning July 1st.

At Seaside, we are committed to ensuring that ALL families will have access to our instruction and we will work to ensure all students have what they need to be successful. Please direct all questions regarding supplies to Jen Cairo, [jcairo@seasidecharter.org](mailto:jcairo@seasidecharter.org).

<b>Personal Supplies ALL GRADE LEVELS (To be labeled with child's first and last name)</b>
<b>Material/Item</b>
<a href="#"><u>Nap Mat (kindergarten only) Recommended</u></a>
Spare clothes (kindergarten and first grade only)
