

Seaside Charter Schools Supply List 2019-2020

Due to the feedback we have received from our Parents, we have worked tirelessly to reduce the price of our (voluntary) group supply order. The List below contains the school supplies your student will need this year. Rather than have the voluntary bulk purchase for everything, the bulk purchase will only include the Waldorf supplies. All other school supplies should be purchased by the families for each student and brought to the Meet & Greet with the Teacher which will occur during the week of August 5 – 9, 2019 at each campus.

New students will have the option to purchase their set of Waldorf supplies through the voluntary bulk purchase, which includes a school shirt. Returning Students may choose to continue to use their Waldorf supplies from last year or can choose to purchase a new set of crayons or pencils to begin the school year. If you need to see the status of your returning student's supplies, please reach out to the school via supplies@seasidecharter.org

Families buying through the voluntary bulk purchase will also have the option to purchase a single additional set of crayons for home use to reinforce the Waldorf techniques learned in school. (while supplies last)
(Please note: if you are experiencing financial hardships and need help purchasing supplies, please contact the school at supplies@seasidecharter.org)
