Dear Parents,

We are excited about our new school year at Seaside Community Charter School. The safety of our children is a major priority. Because all of our students arrive by car, traffic flow during arrival and dismissal is a challenge. In order to try to improve the arrival and dismissal procedures, we are making a few changes.

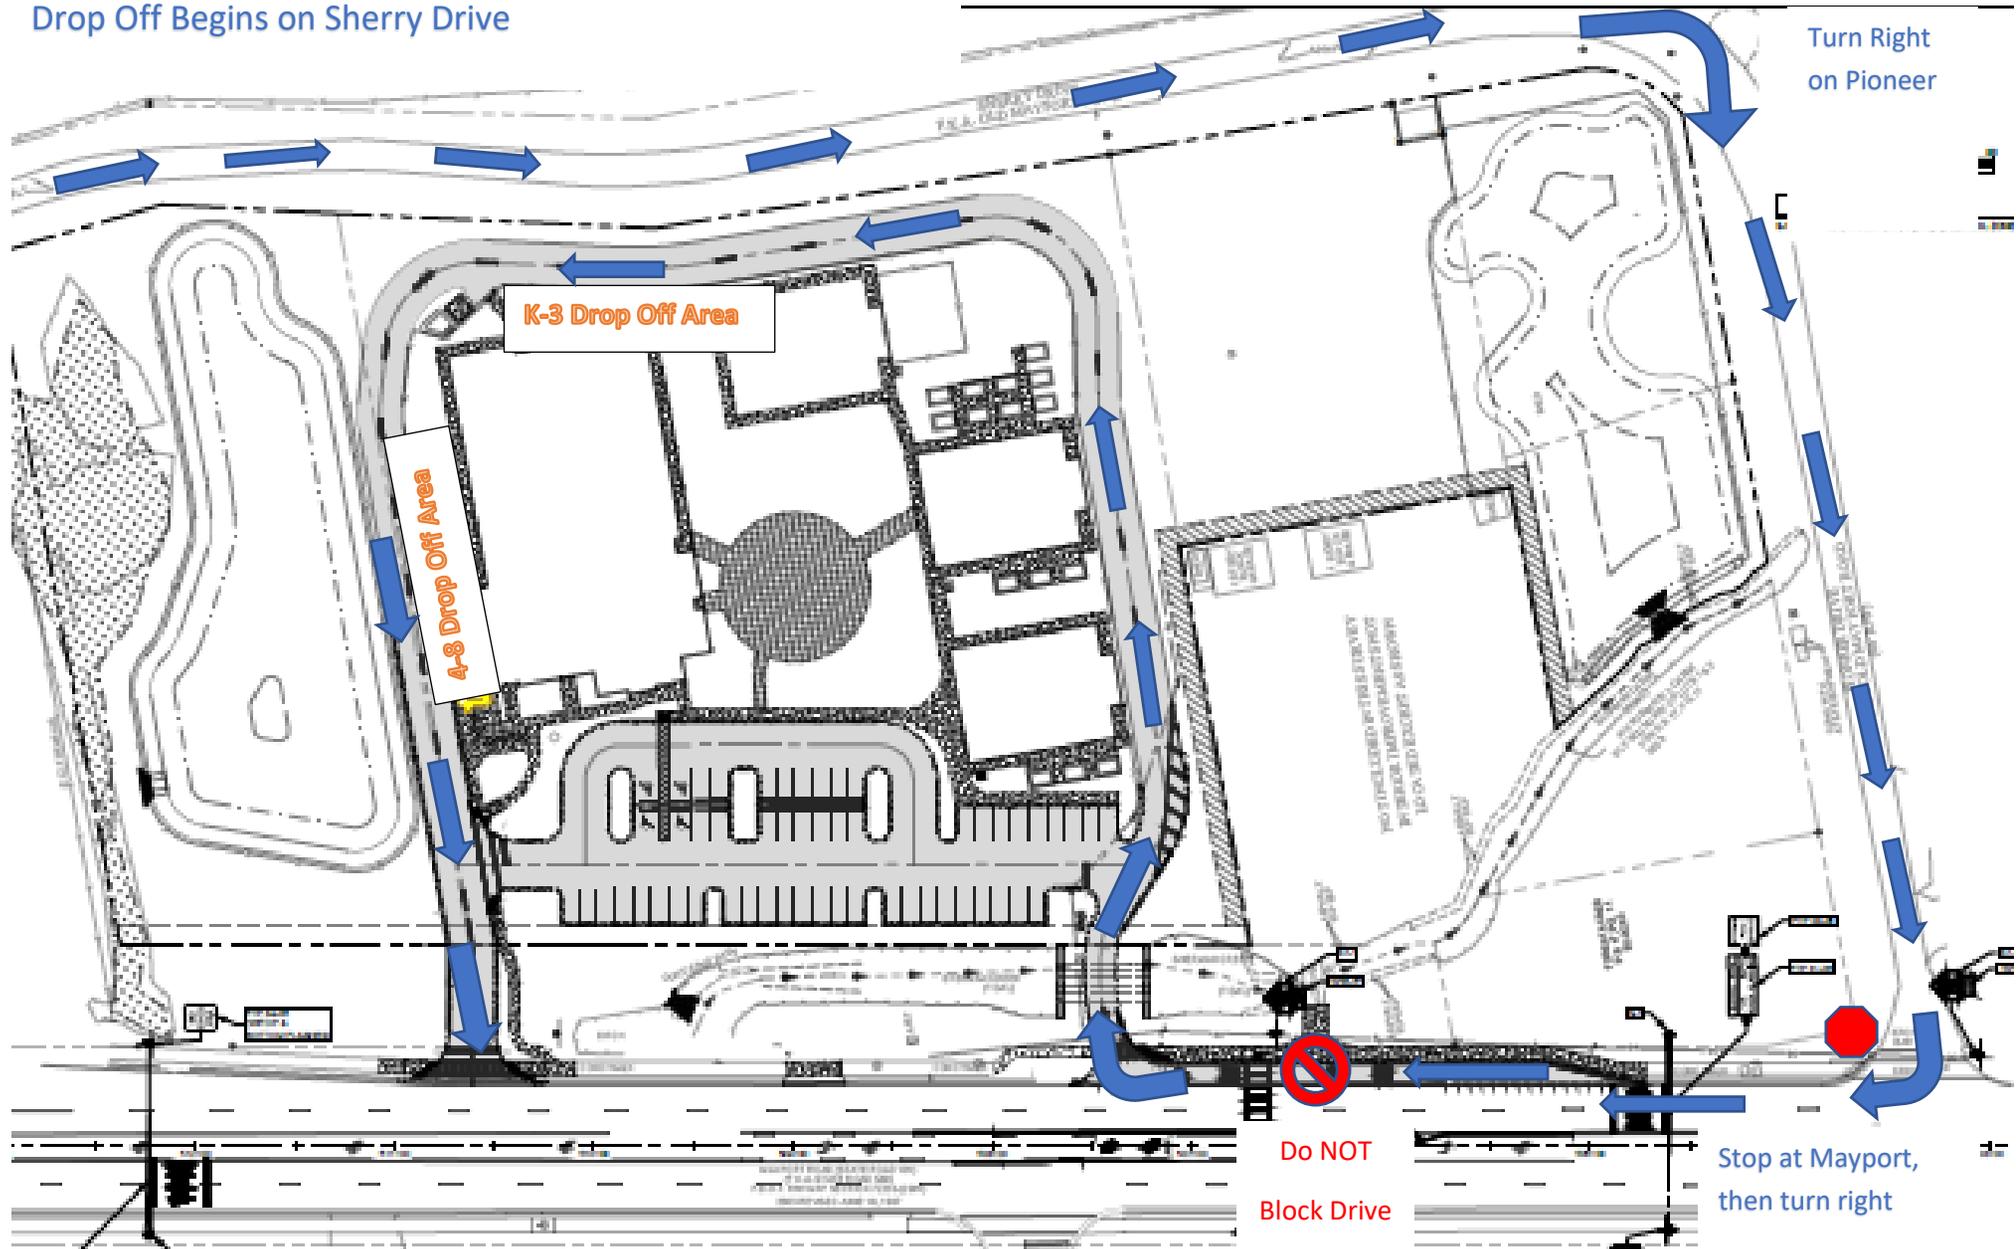

1. **All parents will have a car tag** with their child's initial of their first name and their last name, their teacher's first initial and last name and grade. Eg. J. Smith 4 C. L.
Parents **MUST** have this car tag displayed in the windshield of their car every day when picking up their child. If a car does not display the car tag, then the parent must go to the front office to sign out their child.
2. **Car Lines:** If there is a line of cars waiting to enter the school south driveway, all cars should continue on Mayport Rd. and turn right on Wonderwood by Hannah Park and then turn right onto Sherry Drive. Continue down around Sherry and turn **RIGHT** onto Pioneer Dr. Stop at the beginning of Pioneer Dr. and Mayport Rd.
3. A school staff member will be at the corner of Mayport Rd. and Pioneer Dr. to direct cars to the school drive way.
ARRIVAL
4. **Arrival:** Students may be dropped off **no earlier than 8:15 a.m.** unless the child attends Extended Day.
All students in kindergarten, 1st, 2nd and 3rd grades will be dropped off in the **back** of the school by the wooden corral gate and metal gate. Cars for K, 1, 2, and 3 should drive in the **inside lane** to the drop off location. School staff will greet the students.
5. **Kindergarten, 1st and 2nd grade students** will proceed escorted to the corral playground where they will be supervised by grade levels teachers.
6. **Third grade students** will proceed escorted to their classrooms in the main building and single building.
7. **Students in grades 4, 5, 6, 7, 8** will be dropped off around the building at the entrance with the awning/covering. Cars should drive in the **outside lane** if they are dropping off children in grades 4, 5, 6, 7, and 8.
8. **Students in grades 6, 7, 8** will enter the building at the double doors.
9. Students in grades 4 and 5 will be greeted by a grade level teacher and will be escorted to their classroom.
10. **Students with other siblings** at the school will be dropped off at the location of their **youngest** sibling. For example, if a family has a first grader and a 4th grader, then the two students will be dropped off in the back of the school by the gates designated for students in k, 1, 2, 3.
11. **Parents must stay in their cars.** Assistance will be given to students who are exiting their cars.
12. Cars must stay in their designated lane unless directed to another lane by a school staff member.
13. **Exiting the school :** All cars in the morning and afternoon must exit the school grounds by turning **RIGHT** on Mayport Rd.

PLEASE BE PATIENT AND COURTEOUS DURING ARRIVAL AND DISMISSAL.

DISMISSAL

1. Dismissal will start at **3:30 p.m.** for grades Kindergarten to grade 5.
2. Dismissal will start at **4:00p.m.** for grades 6, 7, 8.
3. All students will be escorted by their teachers to the north side of the building for pick up.
4. Cars should continue on Mayport Rd., turn right onto Wonderwood Expressway and then right onto Pioneer Rd. to line up for student pick up.
5. A school staff member will direct cars from the corner of Pioneer and Mayport Rd. into the school's driveway.
6. **Please stay in your lane** once the school driveway splits into 2 lanes.
7. Students will be lined up by grade levels with their teachers.
8. **Students will be called** to their cars when school staff sees the student's **car tag** in the windshield.
9. **Upper School and Lower School Students: If parents have children in grades k to 5 and grades 6 to 8, there will be a sibling car pick up spot by the bicycle rack.**
10. **All** cars will exit the school by turning right onto Mayport Rd.
11. Please follow the directions of school staff. Parents **may not** get out of their cars during dismissal.
12. We ask for your cooperation and patience so that our children will be safe. Be kind. (This is one of Seaside's golden rules.)
